Board of Selectmen, Town of Hart's Location, NH

2014 Board of Selectmen Report

The Board of Selectmen thanks Michelle Goodreau for her service to the town as Town Clerk and Tax Collector this past term, as well as for her ongoing service as Deputy Fire Warden. Michelle served us well as Town Clerk and Tax Collector and has been working hard this past year to train Katie Landry for the transition after town meeting. If elected, Katie will have a good foundation to start with as our new Town Clerk & Tax Collector.

Thanks to Richard Garabedian for submitting the bear photo for the cover of this report, and the Board reminds all residents **"Please Don't Feed the Bears!"** It seems like almost every household in town had some bear related incident this past year. It is important to remember that mother bears are training the next generation of cubs where and how to find food. If you feed them, or leave bird feeders up in the spring and summer, or have open compost bins, trash barrels or unprotected chicken coops, etc., then you are inviting them back as nuisance bears for years to come.

Thanks to Bill King for successfully applying for a state matching grant for fire suppression equipment, this year we will be receiving a new portable fire pump for use in locations where pump trucks cannot reach.

The zoning board of adjustment was convened in October to consider a variance to setback requirements by Darren & Helen Brandon. Variance was granted and building permit subsequently approved.

Town Clerk/Tax Collector hours are on Mondays from 5pm to 6:30pm. The Town Clerk / Tax Collector can be contacted during these hours by phone at 603 374-6397 or email: hartslocationtc@gmail.com.

The Board of Selectmen meet on the 2nd and 4th Monday of each month at 5pm. The Selectmen can be contacted by email at: smallesttown@gmail.com or a phone message may be left at 603 374-6397. If you wish to make an appointment to meet with the Board of Selectmen, please let us know in advance by email or by contacting Board Chair Mark Dindorf at 603 374-6644.

As always, we encourage each of you to participate in some way to help run your town and your schoolboard. Please contact Mark Dindorf or Katie Landry if you are willing and able to do so.

Respectfully submitted,
Mark Dindorf, Chairman, Board of Selectmen

Article 2: Operating Budget

Motion made by Jon Goodreau, seconded by George Holmes

Mark Dindorf ran through the budget numbers. He explained the largest increase was in the line item for Town Officer stipends. The proposed increase sets up step increases for Selectmen/Treasurer who serve multiple years. The stipend for selectmen would raise to \$750 for more than 2 years served and the Chair would receive \$1500. Other costs are steady with a modest increase in internet expense due to no state funding for 2014 and plowing expenses have increased.

Nancy Hayes noted that she will accept the current stipend but recommended that the step increase be left in the budget for the next treasurer.

Les clarified that the Chair of Selectmen would receive \$1500 total and not in addition to current stipend.

Ed Butler asked how the Board of Selectmen came up with budget.

Mark responded that the Board built the budget from looking at the Treasurers report of actual expenses and built the budget from there.

Approved unanimously.

Article 3: To conduct any other business that may legally come before the town.

- 1. Planning Board – Jon Goodreau was appointed to a 5 year term on the Planning Board**
- 2. Question of Commercial Wind Generation**

Mark raised the concern that currently the town does not address the issues that a large scale wind operation would present to the town. Current zoning ordinances do not address the scope, scale, density of a commercial operation. He proposes a 1 year moratorium on all wind development projects/permits to give the town an opportunity to study the issue and come up with zoning ordinances that would direct this type of development in accordance with the town's master plan.

Ed Butler agrees that it would be appropriate for the Planning Board to take up this issue and report back to the town at next year's Town Meeting.

Richard Garabedian asks that a clarified definition of commercial vs home business be included in the review. Noted that North Country Council will be good resource.

Les asks for a summary:

To see if the town of Harts Location will agree to a 1 year moratorium on permitting of any/all commercial scale wind generation projects with in the town boundaries. And to direct the Planning Board to study the issue and recommend zoning ordinances that are in agreement with the town's master plan.

All in Favor. Vote is unanimous.

3. Trust Accounts

Ed Butler asks if there are any future plans for Town Hall or Burke Road

Mark responds that both are in need of improvements but there are no plans in place to address the needed maintenance.

Ed – is a group needed to consider a 10 year plan for town hall?

The Select Board will take on the project and report back in 1 year with a 10 year plan for the maintenance and some improvements to Town Hall.

4. Time of Town Meeting

Katy Landry asks if town meeting is always so early. Town meeting has been at the same time for as long as anyone remembers.

Motion to adjourn meeting by Mark, seconded by Bill King.

Approved unanimously.

Respectfully submitted by Nancy Ritger
